Hammerlocks

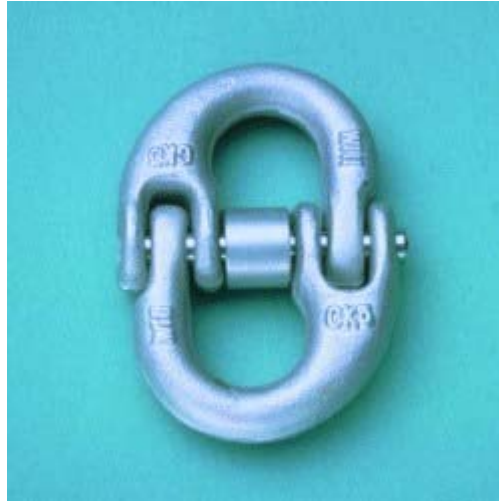

Photo of Hammerlock

316 Stainless Steel, Forged

These forged links are used to connect chain together. Super strong! Use instead of the Connecting Links when you need or want added strength. Pivot pin is driven between the two links and for a permanent connection.

Item Number	Size	A	B	C	D	WLL	Price	Qty
S0655-0005	3/16	3/16	0.20	0.70	0.35	1,100	\$26.70	<input type="text" value="0"/>
S0655-0007	1/4	1/4	0.24	0.84	0.43	2,200	\$32.87	<input type="text" value="0"/>
S0655-0008	5/16	5/16	0.32	0.95	0.48	2700	\$39.69	<input type="text" value="0"/>
S0655-0010	3/8	3/8	0.40	1.15	0.60	4,400	\$75.27	<input type="text" value="0"/>
S0655-0013	1/2	1/2	0.5	1.45	0.75	7300	\$102.84	<input type="text" value="0"/>
S0655-0016	5/8	5/8	0.60	1.90	0.95	11,000	\$188.88	<input type="text" value="0"/>
To order: Enter a quantity to the right of the item and hit "Buy" at the bottom.							<input type="button" value="Buy"/>	

All values are shown in inches (or as noted above), except for WLL and WT that are in pounds.
